Celebrating the Year's Results as Your Bridge to Opportunity

The 16th annual Gala is Conexx's community flagship event, honoring the people and companies who have contributed to the Southeast-Israel economic and business relationship. This gala event is a special and significant evening for our community and for Conexx, celebrating our joint achievements.

But this community event is only possible through your support of Conexx, the premier America Israel business connector. We do more than just bring businesses together. We support Israel in ways no other organization can.

Why be a sponsor?

Network, meet and connect with business influencers in the Southeast and Israel

Access Israeli innovation and learn how it can create opportunities for you and your business

Become a part of Conexx's one-of-a-kind network from the Southeast to Israel

Have a captive audience and readership of over 5,000 to promote your organization

The Value of Conexx is rooted in facilitating important business relationships that help both the Israeli and Southeast U.S. economies thrive in a global world. Conexx is uniquely qualified to provide individual, tailored services to companies and individuals looking to either do business in Israel or seek expansion or partnerships in the US. Working with companies in every industry and vertical, we connect over 100 Israeli companies in the Southeast, driving investments, deals, and employment gain in the region and in Israel.

About Conexx: The America Israel Business Connector

Conexx is the premier America Israel business connector. We're a non-profit organization creating business opportunities for Israelis looking to expand in the U.S. and Americans looking for entry into Israel. With our powerful member driven network, we provide businesses with access to ground breaking technologies, companies and partners in the Southeast, Israel and beyond. We organize business exchanges, networking events and corporate business missions to Israel all designed to inspire and support bi-national business.
